

A large school of silver fish, possibly sardines or anchovies, swimming in clear blue water. The fish are densely packed and moving in various directions, creating a dynamic scene. The background is a deep blue, suggesting an underwater environment.

Notes: Data exclude aquatic plants and non-food products. Data for 2014 include provisional data for some countries and are subject to revisions. For this table, former Sudan and Sudan are included in Northern Africa without being double counted in the custom group of Sub-Saharan Africa. Details about countries and territories included in each geographical region for statistics purposes by FAO can be consulted at: UN. 2014. Composition of macro geographical (continental) regions, geographical sub-regions, and selected economic and other groupings. In: *UN* [online]. [Cited 16 March]. <http://unstats.un.org/unsd/methods/m49/m49regin.htm>.
