*Report on Special Lecture for Nobel Peace Prize
Day 01: Combat Hunger for Peace***

The Department of Library and Information Science BDU organised a special lecture on “Themes of Nobel Peace Prize” conferred on the year 2020 to World Food Programme to combat Hunger and contribute to bettering conditions for peace in-conflict affected areas and a special lecture in the context delivered on the title “Combating Hunger for Peace” on 10.07.2024 at 11.00 AM. The program was conducted in Informatics Center at BDU. The programme was started with Tamil Thai Vazhthu and Dr. Srinivasaragavan, Senior Professor, Chair, DLIS, BDU delivered welcome address and Introductory remarks about the programme. The presidential address delivered by Professor M. Selvam, Honorable Vice Chancellor, BDU. In his address, he has mentioned that deliberates on the theme of Noble prize enable to gain knowledge on important contributions that shape the developments of the mankind across the globe. The chief guest Dr. S. Iyyampillai, Senior Professor (Formerly), Dept. of Economics, BDU who gave his valuable information related to the topic combating hunger for peace. He mainly talks about the ways and means of eradication of hunger in India, particularly be ensured that there is sufficient production of grains but only distribution problem occurs. About 82 Students and a few faculty members of various departments from BDU and other Institutions took part in the program and interacted with the resource person in more efficient manner. Finally the vote of thanks was given by Dr. C. Ranganathan, Professor & Head, DLIS, BDU. The program concluded with the National Anthem.
